

Why am I or She here ?

I ran out of ideas, so I ended up with this...

I'm already wrong...

I'm starting to wonder why She is even here.

You should try thinking about this cover too...

In the end, you'll probably end up not being able to say anything on your own, and will have to check (or ask) with your friends and family.

Maybe a diagram based on personality and thinking might work...
