

## Butt shower

For me, whose slogan is "If you want to be a butt," this is an essential event

If you understand the meaning of the bathroom photos,  
you're a pro.

Due to a malfunctioning nozzle on my shower toilet,  
I'm using a

**"butt shower"**

Purchased on Amazon for just over ¥2,000.

I just bought the branch fittings at a nearby DCM.

In short,

a shower toilet hose branch fitting (in case it gets fixed) and

The rear shower branch fitting is connected, and the two branch fittings are connected.

When you think of shower toilets overseas, they have separate heads like this...

I bought a clothes rack at Temu for a bargain price.

It can rotate 360 degrees, but when I moved from my old rack, it didn't rotate as much because of the amount of clothes.
