

Whether you like it or not (naturally)

Everyone has something they're always worried about.
Right now, I'm worried about yesterday's test.
Because of that,
for the first time, I'm paying attention to everything related to it.
By the way,
I'm not being suspicious.
Nothing was wrong...

By the way,

There's no suspicion involved.

Nothing happened...

Also, by the way,

It surpassed ["Needless to Say 2"](#)

(The reason)

* Face (originally)

* Body shape (due to ballet)

(Chest, hips, slender waist, natural gestures, etc.)
